PASO ROBLES CABERNET SAUVIGNON

by Reinhart Cellars

Our wines come from sustainably farmed vineyards settled in Paso Robles. Pacific Ocean breezes produce cool nights that make for a long growing season. The results are grapes that lavishly grow in the amazing central coast terroir, producing distinguished varietal character.

This Cabernet expresses intense fragrances of black currents, ripe black cherries and blackberries with notes of violets, rich mocha and dried spices. It's a big, rich wine with velvety tannins, laced with nuances of cedar, clove and vanilla bean leading to a long, smooth finish.
