PASO ROBLES CABERNET SAUVIGNON

Esser Vineyards, Paso Robles Cabernet Sauvignon, is produced from one of the most pastoral growing regions of California and from certified sustainably farmed vineyards. The long growing season benefits from the abundant sunshine and the cool evening breezes of the Pacific Ocean, resulting in grapes that express terroir and true varietal character.

This Cabernet expresses intense fragrances of black currents, ripe black cherries and blackberries with notes of violets, rich mocha and dried spices. It's a big, rich wine with velvety tannins, laced with nuances of cedar, clove and vanilla bean leading to a long, smooth finish.
