2017 CABERNET SAUVIGNON | PASO ROBLES

WINEMAKING

This premium Paso Robles Esser Cabernet Sauvignon was produced from sustainably farmed vineyards in picturesque Paso Robles County. These grapes benefit from a long growing season, abundant sunshine, and cool evening breezes, resulting in a wine that expresses terroir and true varietal character. The growing season was excellent without too much rain or extended heat. The fruit was picked in the early morning hours and processed at the nearby winery to be aged in both American Oak 20% and New Hungarian Oak 20% for 6 months.

COLOR

A rich deep purple with garnet hue.

AROMA

Intense aromas of black cherry, blackberry, plum, dark chocolate and oak spice.

PALATE

This Cabernet expresses intense fragrances of black currants, ripe black cherries and blackberries with notes of violets, rich mocha and dried spices. It's a big, rich wine with velvety tannins, laced with nuances of cedar, clove and vanilla bean and tarragon, leading to a long smooth finish.
